

BARGAINING BULLETIN #21 3/1/2010

The Union and Company Memorandum of Agreement (MOA) subcommittees met today to evaluate all existing agreements (over 100): for possible retention, resigning, changing, canceling or making inactive. The Union Bargaining Committee with the help of David LeGrande, CWA's National Occupational Health and Safety Director, and Doctors Peter Schnall and Marnie Dobson from UC Irvine made proposals for joint studies to be done for the purpose of identifying and resolving safety and health concerns and musculoskeletal, stress, and cardiovascular health problems.

No business which depends for existence on paying less than living wages to its workers has any right to continue in this country. By living wages I mean more than a bare subsistence level-I mean the wages of a decent living.
