

BARGAINING BULLETIN # 25 3/5/2010

The Company and the Union met today in full committees. The Company responded to the Unions information request on the Video Hub Technicians. The Union and the Company discussed the company's proposal on Business Attire. A discussion was held on the Company's proposal to move SEI's and Equipment Specialists into the Senior Communications Specialists job title. Also discussed was the Company proposal on Retiree Medical Plan for New Hires and Rehires, and FNFT schedules. The Committees recessed for the rest of the afternoon to work on counter proposals. Your Union Bargaining Committee will continue to work this weekend to prepare presentations for next week's sessions.

With all there faults, trade Unions have done more for humanity than any other organization of men than ever existed. They have done more for decency, for honesty, for education, for the betterment of the race, for the developing of character in men, than any other association of men.
