

BARGAINING BULLETIN #35 3/16/10

The Union and Company Bargaining Committees met this afternoon as scheduled. Some minor movement was made today by the Company on contract language.

The major issues are still facing us;

**Jobs leaving the State, Contractors, the Sales Incentive Comp Plan in the CSSC's,
Health Care and getting the RWS rolled into the Core agreement.**

Keep mobilizing and stand strong. Verizon made **\$3.65 billion in profits** last year!

We're the workers who built this Network! Let your supervisor's know your not going to stand for a **Status Quo** contract!

In Solidarity,

Your Bargaining Committee

Solidarity is not a matter of sentiment but a fact, cold and impassive as the granite foundations of a skyscraper. If the basic element, identity of interest, clarity of vision, honesty of intent, and oneness of purpose, or any of these is lacking, all sentimental pleas for solidarity, and all other efforts to achieve it will be barren of results.
