

BARGAINING BULLETIN # 41 3/24/2010

The Union and Company committees remained in recess today. The Company was reviewing the possible effects of the Health Care Legislation, just signed into law by our President, in relation to the Medical Plan proposals being discussed at the table. Your Union committee was busy working on proposals for both Core and RWS contracts. We are continuing to work to achieve an equitable contract for you. The committees are planning to be back at the table tomorrow.

Injustice anywhere is a threat to justice everywhere. We are caught in an inescapable network of mutuality, tied in a single garment of destiny.
