

BARGAINING BULLETIN # 45 3/31/2010

The Union saw significant movement on the part of the Company this week with the Company withdrawing their Medical Proposal requiring employee contributions. Tentative Agreements were reached on the Medical plan and associated MOA's. Tentative Agreements were also reached on VZ Business and the Video Hub work.

This is a great 1st step, but there is still a long way to go. The Union and the Company Committees met today and the Union presented the Company with a revised proposal to merge the Operator/Operator II work schedules and vacation schedules. Upon recessing today, your Union Bargaining Committee met to discuss all of the open issues on the table.

**Your continued Mobilization Inspires us,
and
Motivates the Company to do the right thing!!**
