

BARGAINING BULLETIN # 7 2/9/2010

The Union and Company bargaining committees were back in session today in full committee. The Union bargaining committee presented three proposals today concerning the RWS and MCOW groups and their incorporation into the core contract. The Union committee also went into more detailed discussion on several previously introduced proposals including: Article 33 Employee Training, Article 34 Job Bidding and Transfers, and Article 43 Union LOA. The company did not pass any new proposals today but did provide information and more detailed discussion on proposals already introduced.
